To Whom it may concern,

KidFish is a non-profit organization led by a group of volunteers and outdoor enthusiasts with a common goal; to support the lives of those who are too sick to cast their own lines.

On February 15, 2026, we'll be hosting our annual KidFish Ice Derby, an inclusive, family-friendly event on the frozen Red River at Selkirk Park. This event welcomes participants of all ages—kids, parents, grandparents and avid anglers alike—to join in the fun of fishing while raising funds for the Cancer Care Manitoba Foundation and the Children's Hospital Foundation of Manitoba.

Since 2015, KidFish has raised over \$485,000 for these Foundations. With your generous support we can ensure that pediatric cancer research continues, and that support for sick children and their families is available while undergoing treatments.

We greatly value your support and offer various ways to partner with us to showcase your business to thousands of anglers and outdoors enthusiasts. We look forward to the opportunity to discuss the sponsorship levels with you to best match your business' needs.

Thank you,
